Lighthouse point marina baltimore

Accepting transient people. Hour 9 - 4. Anonymous on September 7, 2020: Boat Type Vessel LOA Vessel Draft Powerboat 45 ft 6 ft The pool/bar/restaurant areas were great, the marina staff was great, the location was very convenient for various needs, unfortunately the docks were showing wear and tear, cable didn't work, WiFi marginal, and worst of all the distance from docks on land was unreasonably far with walking alone as an option unless bikes were carried out on the boat, note: If you already chose a Waterway Guide account, when asked, to share your email with us so we can sign you up to your correct account.
